*ORDER DISMISSING PETITION
FOR WRIT OF MANDAMUS AND/OR PROHIBITION*

This original petition for a writ of mandamus or prohibition challenges a district court order denying petitioner's motion to dismiss and retaining jurisdiction over the underlying custody proceedings pursuant to the UCCJEA, rather than ceding jurisdiction to California.

Real party in interest has moved to dismiss these proceedings or, in the alternative, to strike portions of petitioner's reply. Real party in interest argues that because respondent Judge Mary D. Perry has been removed from the district court case and petitioner has filed a district court motion "to deem all of Judge Perry's prior temporary orders as void," the

petition is moot. As petitioner has not filed any response in opposition to the requested relief, real party in interest's motion is granted, and this writ petition is hereby dismissed.

It is so ORDERED.
