DANIEL L. SCHWARTZ,
Respondent.

DEPUTY CLERK

ORDER DISMISSING APPEAL

This appeal was docketed on July 25, 2024. Because the proof of service of the notice of appeal was “DATED retroactive 9.30.2016”, on that same day, this court issued a notice directing appellant to provide this court with an updated proof of service within 14 days. The notice advised that failure to comply could result in the dismissal of this appeal. *See* NRAP 3(d)(1) (providing the notice of appeal must be served on all parties to the district court action and must “contain an acknowledgment of service or proof of service that conforms to the requirements of [NRAP] 25(d);” NRAP 3(a)(2) (“An appellant’s failure to take any step other than the timely filing of a notice of appeal does not affect the validity of the appeal, but is ground only for the court to act as it deems appropriate, including dismissing the appeal”).

On August 15, 2024, appellant filed an “Emergency Notice to All Law Clerks and All Judicial Officers and Nevada Department of Corrections Grievant’s Statement Continuation Form” in which appellant states “Proofs of Services of Notice of Appeal to the Nevada Court of Appeals” are attached. Attached to the document are numerous “Notices of Hearing” that were served by the district court. None of the attached

documents demonstrate that the notice of appeal in this matter was served on respondent. Because appellant has failed to provide proof the notice of appeal was served on respondent, this appeal is dismissed.

It is so ORDERED.
