ORDER DISMISSING APPEAL

This is a proper person appeal from an order of the district court granting the State's motion to strike appellant's "motion for injunction for protective order/stay of proceedings." Our review of this appeal reveals a jurisdictional defect. The right to appeal is statutory; where no statute or court rule provides for an appeal, no right to appeal exists.¹ No statute or court rule provides for an appeal from an order of the district court striking a motion for injunction for protective order/stay of proceedings. Accordingly, we

ORDER this appeal DISMISSED.
