ORDER DISMISSING APPEAL

This is a pro se notice of appeal from a district court order denying a petition for writ of habeas corpus and a supplemental petition for writ of habeas corpus. Second Judicial District Court, Washoe County; Lynne K. Jones, Judge.

This court's review of this appeal reveals a jurisdictional defect. Specifically, the district court served notice of entry of its order denying appellant's petitions on appellant on July 9, 2024. Appellant did not file the notice of appeal, however, until November 8, 2024, well after the expiration of the 30-day appeal period prescribed by NRS 34.575. See NRAP 4(b); *Lozada v. State*, 110 Nev. 349, 352, 871 P.2d 944, 946 (1994) (explaining that an untimely notice of appeal fails to vest jurisdiction in this court). Accordingly, this court lacks jurisdiction and
