ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus requesting this court to dismiss his indictment pursuant to the remedial provisions of Article V(c) of the Interstate Agreement on Detainers or to order the district court to accurately calculate the delays in bringing him to trial and provide the necessary remedy.¹

We have considered the petition on file herein, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time.² Accordingly, we

ORDER the petition DENIED.
