ORDER DISMISSING APPEAL

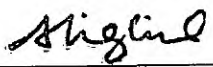

This is a pro se appeal from a district court order regarding a petition for writ of habeas corpus. Eighth Judicial District Court, Clark County; Eric Johnson, Judge.

This court's review of this appeal reveals a jurisdictional defect. Specifically, the appeal appears premature because claims remain pending below. *See generally State v. Lewis*, 124 Nev. 132, 136, 178 P.3d 146, 148 (2008) (explaining that, generally, a judgment must be final before vesting jurisdiction in this court); NRAP 4(b)(5)(B) (providing for entry of a judgment finally resolving postconviction matters); NRS 177.015(3) ("The defendant only may appeal from a final judgment . . . in a criminal case."). The district court expressly maintained appellant's claim regarding credits from a previous incarceration and contemplated further proceedings on that claim. Appellant may appeal from a final judgment resolving all of his postconviction claims. NRS 34.575. Accordingly, this court lacks jurisdiction and
