ORDER DISMISSING APPEAL

This is a pro se notice of appeal from a district court order dismissing a postconviction petition for writ of habeas corpus and a motion for appointment of counsel. Second Judicial District Court, Washoe County; Lynne K. Jones, Judge.

This court's review of this appeal reveals a jurisdictional defect. Specifically, the district court served notice of entry of its order dismissing appellant's petition by mail on September 13, 2023. Appellant did not file the notice of appeal, however, until December 20, 2024, well after the expiration of the 30-day appeal period prescribed by NRS 34.575. See NRAP 4(b); *Lozada v. State*, 110 Nev. 349, 352, 871 P.2d 944, 946 (1994) (explaining that an untimely notice of appeal fails to vest jurisdiction in this court). Additionally, no statute or court rule allows for an appeal from an order denying a motion to appoint counsel. See *Castillo v. State*, 106 Nev. 349, 352, 792 P.2d 1133, 1135 (1990). Accordingly, this court lacks jurisdiction and
