ORDER DISMISSING APPEAL

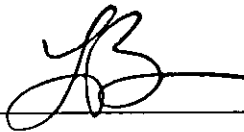

This is a pro se appeal from a purported order entered January 24, 2024, by the probate commissioner finding appellant a vexatious litigant. Eighth Judicial District Court, Clark County; Gloria Sturman, Judge.

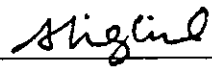

Review of the notice of appeal and documents transmitted to this court pursuant to NRAP 3(g) reveals a jurisdictional defect. The district court docket sheet does not indicate that any order or report and recommendation of the probate commissioner was entered on January 24, 2024. To the extent appellant intended to appeal from an order entered on January 24, 2025, the district court docket sheet does not indicate any order was entered on that date. The probate commissioner filed a report and recommendation for order finding vexatious litigant on January 24, 2025. However, no appeal from such a report and recommendation is authorized by statute or court rule. *See Brown v. MHC Stagecoach, LLC*, 129 Nev. 343, 345, 301 P.3d 850, 851 (2013) (this court “may only consider appeals

authorized by statute or court rule"). Accordingly, appellant fails to identify an appealable order and we

ORDER this appeal DISMISSED.
