ORDER DISMISSING APPEAL

This is a pro se notice of appeal from a district court order denying a motion to correct clerical mistake. Eighth Judicial District Court, Clark County; Crystal Eller, Judge.

This court's review of the notice of appeal reveals a jurisdictional defect. Specifically, it does not appear from the district court docket and minute entries that the district court has entered any such order in Case No. 83C062509-1 and, even if it had, no statute or court rule provides for an appeal from an order denying a motion to correct clerical mistake. *Castillo v. State*, 106 Nev. 349, 792 P.2d 1133 (1990) (explaining that this court has jurisdiction only when statute or court rule provides for appeal). Accordingly, this court lacks jurisdiction and
