ORDER DISMISSING APPEAL

This is a pro se appeal from a district court order appointing a receiver. Eighth Judicial District Court, Clark County; Timothy C. Williams, Judge.

On November 27, 2024, this court issued a notice directing appellants to, among other things, file and serve the docketing statement within 21 days, the transcript request form or certificate of no transcript request within 14 days, and the opening brief or informal brief within 120 days. When appellants failed to file the transcript request form or certificate of no transcript request, and the docketing statement, this court issued an order on February 11, 2025, directing appellants to file these missing documents by February 18, 2025. *See* NRAP 14; NRAP 9(a). The order cautioned that failure to timely comply could result in the dismissal of this appeal. To date, appellants have failed to file these documents. Additionally, appellants have failed to file the opening brief or informal

brief, which was due on March 27, 2025. Accordingly, as it appears appellants have abandoned this appeal, this court

ORDERS this appeal DISMISSED.
