ORDER DISMISSING APPEAL

This is a pro se appeal from a post-divorce decree order awarding attorney fees and costs. Eighth Judicial District Court, Clark County; Mari D. Parlade, Judge.

On November 27, 2024, this court issued a notice directing appellant to file, among other things, a transcript request form or certificate of no transcript request within 14 days and an opening brief or informal brief within 120 days. When appellant failed to file the transcript request form, this court issued an order on December 19, 2024, directing her to file a transcript request form or certificate that no transcript is to be requested by January 2, 2025. *See* NRAP 9(a). The order cautioned that failure to timely comply could result in the dismissal of this appeal. On January 10, 2025, this court received appellant's transcript request form but issued a notice returning it unfiled because it was untimely and must be accompanied by a separate motion for extension of time. Appellant failed to comply. This court entered an order on February 5, 2025, directing appellant to file a transcript request form or certificate that no transcript is to be requested by February 19, 2025.

To date, appellant has failed to file the transcript request form or certificate of no transcript request. Additionally, appellant has failed to file the opening brief or informal brief, which was due on March 27, 2025. Accordingly, as it appears appellant has abandoned this appeal, this court ORDERS this appeal DISMISSED.
