ORDER DISMISSING APPEAL

This is a pro se appeal from a district court order refusing to modify custody of a minor child. Eighth Judicial District Court, Family Division, Clark County; Regina M. McConnell, Judge.

On February 3, 2025, this court issued a notice directing appellant to file a transcript request form or certificate of no transcript request within 14 days, a docketing statement within 21 days, and a fast track opening brief within 60 days. When appellant failed to file the transcript request form and docketing statement, this court issued an order on March 21, 2025, directing him to file these documents within 14 days. The March 21 order cautioned appellant that failure to comply could result in the dismissal of this appeal. NRAP 9(a)(10); NRAP 14(c). To date, appellant has failed to file these documents. Appellant has also failed to file the fast track opening brief, which was due to be filed by April 4, 2025, and appellant has not otherwise communicated with this court. Because it appears that appellant has abandoned this appeal, we

ORDER this appeal DISMISSED.
