

IN THE SUPREME COURT OF THE STATE OF NEVADA

RICK SHAWN,  
Appellant,  
vs.  
TERRY ROTH, WARDEN  
Respondent.

No. 90994  
**FILED**  
AUG 12 2025

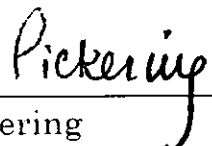

ELIZABETH A. BROWN  
CLERK OF SUPREME COURT  
BY  DEPUTY CLERK

*ORDER DISMISSING APPEAL*

This is a pro se appeal from the purported denial of a motion to supplement and add claim of ineffective assistance of counsel to the first amended petition for writ of habeas corpus.

This court's review of this appeal reveals jurisdictional defects. Specifically, no decision had been made on the motion when appellant filed the notice of appeal on July 15, 2025. Thus, the notice of appeal is premature. *See* NRS 177.015(3) (stating that a defendant only may appeal from a final judgment or verdict). Additionally, no statute or court rule allows for an appeal from an order denying a motion to supplement and add claims to a writ petition. *See Castillo v. State*, 106 Nev. 349, 792 P.2d 1133 (1990) (the right to appeal is statutory; where no statute or court rule provides for an appeal, no right to appeal exists). We lack jurisdiction to consider this appeal and

ORDER this appeal DISMISSED.
