ORDER DISMISSING APPEAL

This is a pro se appeal from a district court order striking appellant's motion requesting a competency evaluation after treatment and request for hearing filed March 11, 2025. The motion was deemed a fugitive document and stricken because the district court case was closed on October 17, 2022. Fifth Judicial District Court, Nye County; Robert W. Lane, Judge.

Because no statute or court rule permits an appeal from the aforementioned district court order, this court lacks jurisdiction to consider this appeal. *Castillo v. State*, 106 Nev. 349, 352, 792 P.2d 1133, 1135 (1990) (explaining that this court has jurisdiction only when statute or court rule provides for appeal). Accordingly, this court

ORDERS this appeal DISMISSED.¹

Parraguirre, J.

Bell, J.

¹In light of this order, this court takes no action in regard to appellant's pro se motion filed August 25, 2025.
