DEPUTY CLERK

*ORDER DENYING MANDAMUS AND PROHIBITION PETITION*

This is an original pro se petition for a writ of mandamus and prohibition seeking the dismissal of criminal charges brought against petitioner and her release from custody.

Petitioner has been charged in four separate district court cases with battery with the use of a deadly weapon, mail theft, theft of \$1200 or more but less than \$5K, harassment, grand larceny of \$1200 or more but less than \$5K, and assault with the use of a deadly weapon. Petitioner is currently in custody at the Clark County Detention Center. In her petition, petitioner is seeking the dismissal of the criminal charges and her release from custody.

Having considered the petition and attached documentation, we are not convinced that our extraordinary and discretionary intervention is warranted. *Pan v. Eighth Jud. Dist. Ct.*, 120 Nev. 222, 228, 88 P.3d 840, 844 (2004) (observing that the party seeking writ relief bears the burden of showing that such relief is warranted); *Smith v. Eighth Jud. Dist. Ct.*, 107 Nev. 674, 677, 818 P.2d 849, 851 (1991) (recognizing that writ relief is an extraordinary remedy and that this court has sole discretion in determining whether to entertain a writ petition). As petitioner has failed to demonstrate that our intervention by extraordinary writ is warranted, we decline to exercise our original jurisdiction in this matter. See NRAP 21(b). Accordingly, we

ORDER the petition DENIED.
