ORDER DISMISSING APPEAL

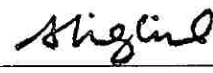

This is a pro se appeal from an August 25, 2025, district court order denying a motion to disqualify the district judge presiding over the underlying family division proceedings. Eighth Judicial District Court, Clark County; Jerry A. Wiese, Judge.

Review of the notice of appeal and documents before this court reveals a jurisdictional defect. Specifically, the order challenged in the notice of appeal is not substantively appealable, as no statute or court rule authorizes an appeal from an order denying a request to disqualify a judge. *See Brown v. MHC Stagecoach, LLC*, 129 Nev. 343, 345, 301 P.3d 850, 851 (2013) (“[This court] may only consider appeals authorized by statute or court rule.”). Accordingly, this court lacks jurisdiction, and we
