ORDER DISMISSING APPEAL

This is a pro se appeal from a final judgment. Eighth Judicial District Court, Clark County; Mary Kay Holthus, Judge.

On July 29, 2025, this court issued a notice directing appellant to, among other things, file and serve a transcript request form or certificate of no transcript request within 14 days, and the docketing statement within 21 days. Appellant attempted to file the docketing statement on August 19, 2025, however, it was stricken as deficient, and appellant was ordered to file a corrected docketing statement by September 5, 2025. When appellant failed to file the transcript request form or certificate of no transcript request and the corrected docketing statement, this court issued an order on September 8, 2025, directing appellant to file and serve a transcript request form or certificate of no transcript request and the corrected docketing statement by September 15, 2025. *See* NRAP 9; NRAP 14(b). The order cautioned that failure to timely comply could result in the dismissal of this appeal. To date, appellant has failed to file a transcript request form

or certificate of no transcript request and a corrected docketing statement. Accordingly, as it appears appellant has abandoned this appeal, this court
ORDERS this appeal DISMISSED.
