ORDER DISMISSING APPEAL

This is a pro se appeal from a district court order altering child custody and child support. Eighth Judicial District Court, Family Division, Clark County; Mary D. Perry, Judge.

On July 25, 2025, this court issued a notice directing appellant to, among other things, file and serve a transcript request form or certificate of no transcript request within 14 days, and the docketing statement within 21 days. When appellant failed to file the transcript request form or certificate of no transcript request and the docketing statement, this court issued an order on September 3, 2025, directing appellant to file and serve these documents by September 17, 2025. The order cautioned that failure to comply could result in the dismissal of this appeal. Appellant failed to comply. On October 21, 2025, this court again issued an order directing appellant to file a transcript request form or certificate of no transcript request and the docketing statement by November 4, 2025. The order again cautioned that failure to comply could result in the dismissal of this appeal. To date, appellant has failed to file a transcript request form or certificate

of no transcript request and a docketing statement. Accordingly, as it appears appellant has abandoned this appeal, this court

ORDERS this appeal DISMISSED.
