ORDER DISMISSING APPEAL

This is a pro se appeal challenging the district court's purported post-conviction decision to maintain counsel for appellant. Eighth Judicial District Court, Clark County; Mary Kay Holthus, Judge.

The district court has not entered a written order resolving appellant's motion to dismiss counsel or any other request for relief. Moreover, even if the court had entered a written order, no statute or court rule permits an appeal from the court's denial of a motion to dismiss counsel or decision regarding counsel's status. *Castillo v. State*, 106 Nev. 349, 352, 792 P.2d 1133, 1135 (1990) (explaining that this court has jurisdiction only when statute or court rule provides for appeal). This court thus lacks jurisdiction to consider this appeal and

ORDERS this appeal DISMISSED.
