

IN THE SUPREME COURT OF THE STATE OF NEVADA

JAMIL GERONIMO,  
Appellant,  
vs.  
THE STATE OF NEVADA,  
Respondent.

No. 91634

**FILED**

DEC 23 2025

ELIZABETH A. BROWN  
CLERK OF SUPREME COURT  
BY   
DEPUTY CLERK

*ORDER DISMISSING APPEAL*

This appeal was initiated by the filing of a pro se notice of appeal. Second Judicial District Court, Washoe County; Scott N. Freeman, Judge.

This court's review of this appeal reveals a jurisdictional defect. Appellant appears to have filed a notice of appeal to this court from an order of the court of appeals, *Geronimo v. State*, Docket No. 80497-COA (Order of Affirmance, March 17, 2021). Appellant cannot appeal to this court from an order of the court of appeals. *See Castillo v. State*, 106 Nev. 349, 792 P.2d 1133 (1990) (right to appeal is statutory; where no statute or court rule provides for an appeal, no right to appeal exists). To the extent, if any, appellant's notice of appeal can be construed as a petition for rehearing or for supreme court review of the order in Docket No. 80497-COA, it is untimely. NRAP 40(c); NRAP 40B(c). This court lacks jurisdiction and

ORDERS this appeal DISMISSED.
