

IN THE SUPREME COURT OF THE STATE OF NEVADA

JAMES PATRICK BOYD,
Appellant,
vs.
THE STATE OF NEVADA,
Respondent.

No. 91717

FILED

JAN 12 2026

ELIZABETH A. BROWN
CLERK OF SUPREME COURT
DEPUTY CLERK

ORDER DISMISSING APPEAL

Appellant has filed pro se notices of appeal from purported orders "entered in this action on the 23rd day of November 2025" and "on the 12th day of July." Eighth Judicial District Court, Clark County; Danielle K. Pieper, Judge.

This court's review of this appeal reveals a jurisdictional defect. Appellant's notices of appeal fail to identify any decisions of the district court, *see* NRAP 3(c)(1)(B), as it does not appear from the district court docket and minute entries that the district court has entered any appealable order on or around the identified dates. To the extent, if any, appellant's notices of appeal can be construed as challenging the February 16, 2024, judgment of conviction, the notices of appeal are untimely. *See* NRAP 4(b); *Lozada v. State*, 110 Nev. 349, 352, 871 P.2d 944, 946 (1994) (explaining that an untimely notice of appeal fails to vest jurisdiction in this court). This court lacks jurisdiction and

ORDERS this appeal DISMISSED.
