ORDER DISMISSING APPEAL

This is a pro se appeal from a district court order denying a motion for reconsideration and order awarding attorney fees in part. Second Judicial District Court, Family Division, Washoe County; Aimee Banales, Judge.

Review of the notice of appeal and documents before this court reveals a jurisdictional defect. This court “may only consider appeals authorized by statute or court rule.” *Brown v. MHC Stagecoach, LLC*, 129 Nev. 343, 345, 301 P.3d 850, 851 (2013). No statute or court rule authorizes an appeal from an order denying a motion for reconsideration. *Arnold v. Kip*, 123 Nev. 410, 417, 168 P.3d 1050, 1054 (2007) (“[A]n order denying reconsideration is not appealable.”). Because it appears there has been no final judgment, the order awarding attorney fees in part is interlocutory and likewise unappealable. See NRAP 3A(b)(8) (permitting appeal from a

special order entered after final judgment, including post-judgment awards for attorney fees or costs). Accordingly, this court lacks jurisdiction and
ORDERS this appeal DISMISSED.¹
