*ORDER DISMISSING APPEAL*

This appeal is from an amended judgment of conviction pursuant to guilty plea. Eighth Judicial District Court, Clark County; Bitu Yeager, Judge.

Appellant's NRAP 3C counsel has moved to suspend briefing and for clarification regarding the status of this appeal, pointing out that the pro se notice of appeal was untimely filed but explaining that appellant appears to have sought relief below under NRAP 4(c)'s appeal deprivation provisions. We grant the motion to the extent it seeks clarification.

The amended judgment of conviction was entered in the district court on October 10, 2025. However, the notice of appeal was not filed in the district court until December 29, 2025, well after the 30-day appeal period prescribed by NRAP 4(b) expired. "[A]n untimely notice of appeal fails to vest jurisdiction in this court." *Lozada v. State*, 110 Nev. 349, 352, 871 P.2d 944, 946 (1994). Accordingly, we lack jurisdiction, and we thus order this appeal dismissed. If appellant obtains relief in the district court
