ORDER DENYING PETITION

This proper person petition for a writ of mandamus requests this court to essentially reverse the district court's decision to deny petitioner's pretrial petition for a writ of habeas corpus. In the alternative, petitioner requests this court to conduct an evidentiary hearing on the claims raised in his pretrial petition for a writ of habeas corpus or at a minimum have his pretrial petition for a writ of habeas corpus heard by a civil judge rather than a criminal judge.

We have considered the petition on file herein, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time.¹ Accordingly, we

ORDER the petition DENIED.
