ORDER DENYING PETITION FOR WRIT OF MANDAMUS

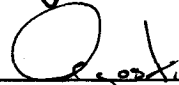

This is a petition for a writ of mandamus directing the district court to suppress statements that petitioner made during police interviews, or alternatively, directing the district court to order an evidentiary hearing on this issue. Petitioner, a fifteen-year-old defendant charged with open murder, contends that a writ of mandamus should issue because the police violated his right to due process, fundamental fairness, and the mandate of NRS 62.170(2)(a) in failing to notify petitioner's parents prior to interrogating him.

01-17097

We have considered the petition on file herein, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time.¹ Accordingly, we

ORDER the petition DENIED.
