ORDER DISMISSING APPEAL

This is a pro se appeal from a district court order dismissing appellant's complaint and awarding attorney fees and costs. Eighth Judicial District Court, Clark County; Mark R. Denton, Judge.

On February 23, 2026, this court issued a notice directing appellant to, among other things, file and serve a transcript request form or certificate of no transcript request within 14 days, and the docketing statement within 21 days. When appellant failed to file these documents, this court issued an order on March 17, 2026, directing appellant to file and serve a transcript request form or certificate of no transcript request and the docketing statement by March 24, 2026. The order cautioned that failure to timely comply could result in the dismissal of this appeal. To date, appellant has failed to file these documents. Accordingly, as it appears appellant has abandoned this appeal, this court

ORDERS this appeal DISMISSED.
