*ORDER DISMISSING APPEAL*

This is a pro se appeal from a district court order dismissing a petition for foreclosure mediation assistance. Eighth Judicial District Court, Clark County; Jerry A. Wiese, Judge.

On January 21, 2026, this court entered an order directing appellant to file and serve, by March 2, 2026, either (1) a brief that complies with the requirements in NRAP 28(a) and NRAP 32, or (2) the "Informal Brief Form for Pro Se Parties" provided by the clerk. The order cautioned appellant that failure to timely file the opening brief or informal brief by the deadline may result in the dismissal of this appeal. NRAP 31(d).

When appellant failed to file the opening brief or informal brief, this court entered an order on March 13, 2026, noting appellant's opening brief or informal brief was overdue and directing appellant to file the opening brief or informal brief within 14 days. The order also cautioned appellant that failure to timely file the opening brief or informal brief may result in the dismissal of this appeal. NRAP 31(d). On March 27, 2026, appellant attempted to file a motion to extend the time to file the opening brief, however, the motion was not accompanied by proof of service.

Accordingly, this court entered an order striking the motion on April 1, 2026, and directed appellant to file a corrected motion by April 8, 2026. Because to date, appellant has failed to file a corrected motion for extension of time to file the opening brief or the opening brief, this court.

ORDERS this appeal DISMISSED.
