

IN THE SUPREME COURT OF THE STATE OF NEVADA

NICHOLAS GEORGE MALIS,
Appellant,
vs.
ANGELA LOPEZ,
Respondent.

No. 92494

ORDER DISMISSING APPEAL

This is a pro se appeal from a district court decree of divorce. Eighth Judicial District Court, Family Division, Clark County; Nadin Cutter, Judge.

On April 20, 2026, this court issued a notice directing appellant to, among other things, file and serve a transcript request form or certificate of no transcript request within 14 days, and the docketing statement within 21 days. *See* NRAP 14(b). When appellant failed to file these documents, this court issued an order on May 18, 2026, directing appellant to file and serve a transcript request form or certificate of no transcript request and the docketing statement by June 1, 2026. The order cautioned that failure to timely comply could result in the dismissal of this appeal. Appellant attempted to file the transcript request form and docketing statement on June 3, 2026, however on that same date, this court entered an order striking these documents because they were deficient. The order directed appellant to correct the deficiencies and re-file documents that conform with the rules by June 17, 2026, and cautioned that failure to comply could result in the dismissal of this appeal.

To date, appellant has failed to file a corrected transcript request form or certificate of no transcript request and a corrected docketing

statement, or otherwise communicate with this court. Because it appears appellant has abandoned this appeal, this court
