

IN THE SUPREME COURT OF THE STATE OF NEVADA

Nour M. Manoun,  
Appellant,  
v.  
Arezo Maria Fathie, M.D., Inc. et al,  
Respondents.

No. 91895

*ORDER DISMISSING APPEAL*

This is an appeal from a district court order granting a motion for judgment on the pleadings. This court previously entered an order to show cause as to why this appeal should not be dismissed for lack of jurisdiction. Specifically, this court noted that it appears that the district court's order did not resolve all claims, meaning the district court has not yet entered a final judgment. *See* NRAP 3A(b) (identifying appealable determinations); *Lee v. GNLV Corp.*, 116 Nev. 424, 426, 996 P.2d 416, 417 (2000) (defining a final judgment); *Brown v. MHC Stagecoach, LLC*, 129 Nev. 343, 345, 301 P.3d 850, 851 (2013) (explaining this court “may only consider appeals authorized by statute or rule”). This court cautioned appellant that failure to demonstrate that this court has jurisdiction may result in dismissal of this appeal. To date, appellant has failed to respond to the order to show cause. *See Moran v. Bonneville Square Assocs.*, 117 Nev. 525, 527, 25 P.3d 898, 899 (2001) (“[T]he

burden rests squarely upon the shoulders of a party seeking to invoke our jurisdiction to establish, to our satisfaction, that this court does in fact have jurisdiction.”). Accordingly, this court

ORDERS this appeal DISMISSED.
