ELIZABETH A. BROWN
CLERK OF SUPREME COURT

IN THE SUPREME COURT OF THE STATE OF NEVADA

DAVIS ACEA, Appellant, vs. THE STATE OF NEVADA, Respondent.	No. 93254

ORDER DISMISSING APPEAL

This appeal was initiated by the filing of a pro se notice of appeal. Eighth Judicial District Court, Clark County; Hon. Tara D. Clark Newberry, Judge.

This court's review of this appeal reveals a jurisdictional defect. Appellant's notice of appeal fails to identify any decisions of the district court, *see* NRAP 3(c)(1)(B), and it does not appear from the district court docket and minute entries that the district court has entered any appealable order. To the extent, if any, appellant's notice of appeal can be construed as challenging the district court's oral decision finding appellant competent to proceed with adjudication, no statute or court rule permits an appeal from the aforementioned decision. *Castillo v. State*, 106 Nev. 349, 352, 792 P.2d 1133, 1135 (1990) (explaining that this court has jurisdiction only when statute or

court rule provides for appeal). This court thus lacks jurisdiction to consider this appeal and

ORDERS this appeal DISMISSED.
