ORDER DENYING PETITION

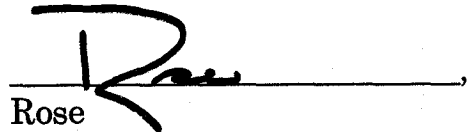

This petition for a writ of prohibition seeks an order prohibiting respondent district court from conducting a hearing on October 12, 2001, in Eighth Judicial District Court Case No. A367064. The basis for the petition is that petitioners filed a notice of appeal in Case No. A367064 on September 14, 2001, thereby purportedly divesting the district court of jurisdiction to act in that case. Petitioners' notice of appeal was docketed in this court on September 20, 2001, as Docket No. 38498.

On October 11, 2001, this court entered an order dismissing the appeal in Docket No. 38498 for lack of jurisdiction. Accordingly, our intervention by way of extraordinary writ is not warranted, and we deny this petition.

It is so ORDERED.¹
