ORDER DISMISSING APPEALS

These are proper person appeals from an order of the district court denying a "motion to re-address clerical error." Our review of these appeals reveals a jurisdictional defect. The right to appeal is statutory; where no statute or court rule provides for an appeal, no right to appeal

exists.¹ No statute or court rule provides for an appeal from an order of the district court denying a motion to re-address clerical error. Accordingly, we

ORDER these appeals DISMISSED.²
