ORDER DENYING PETITION

This is an original, proper person post-conviction petition for a writ of habeas corpus. Petitioner challenges his conviction, entered pursuant to a guilty plea, of robbery with the use of deadly weapon. The Nevada Revised Statutes provide effective, comprehensive procedures for pursuing post-conviction petitions for writs of habeas corpus in the district court.¹ This court's rules of appellate procedure require such petitions to be pursued in the district court in the first instance.² Further, we note that petitioner presently has an appeal pending in this court from an order of the district court denying a post-conviction petition for a writ of habeas corpus. Accordingly, we

ORDER this petition DENIED.
