ORDER DENYING PETITION

This is a proper person petition for a writ of habeas corpus alleging ineffective assistance of trial and appellate counsel.

We have reviewed the documents on file with this court and we conclude that petitioner has not demonstrated that he is entitled to relief. Specifically, a petition for a writ of habeas corpus should be brought in the first instance in the appropriate district court.¹ Petitioner may then appeal to this court from an adverse decision.² Accordingly, we

ORDER the petition DENIED.³
