ORDER DENYING PETITION

This proper person petition for a writ of mandamus seeks an order directing the district court to grant his habeas corpus petition and set a date for an evidentiary hearing. We have considered the petition on file herein, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time.¹ We are confident that the district court will address and resolve all matters pending before it as expeditiously as the court's calendar will permit. Accordingly, we

ORDER the petition DENIED.
