ORDER DISMISSING APPEAL

This is a proper person appeal from an order dismissing appellants' complaint as to one of several defendants. Our review of the documents before this court reveals a jurisdictional defect. Specifically, the order appealed from is not a final judgment, because it did not dispose of all claims as to all parties,¹ and was not certified as final under NRCP 54(b). Appellants' complaint remains pending against the other defendants. Accordingly, as we lack jurisdiction, we

ORDER this appeal DISMISSED.
