ORDER DISMISSING PROCEEDINGS

This matter involves five questions certified to this court by the United States District Court for the District of Nevada. On August 12, 2002, the Honorable Justin L. Quackenbush, Senior United States District Judge, filed a letter stating that the matter pending in United States District Court "has been fully settled and compromised and therefore there is not further need for your court to rule upon the issues certified to it by this court." Attached to the letter is a copy of an "Order Withdrawing Certification to the Nevada Supreme Court." Because the United States District Court for the District of Nevada has withdrawn its certification, we dismiss this matter. See NRAP 5.

It is so ORDERED.
