ORDER DENYING PETITION FOR WRIT OF MANDAMUS

This original petition for a writ of mandamus challenges a district court order denying petitioner's motion to dismiss a complaint substituting petitioner as a party under NRCP 10(a), after the statute of limitations has run. We have considered this petition and the answers thereto, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time. Accordingly, we

ORDER the petition DENIED.¹
