ORDER DENYING PETITION

This original, emergency petition for a writ of mandamus or prohibition challenges an order of the district court denying petitioner's motion to dismiss an indictment. Petitioner also seeks a stay of the trial pending this court's resolution of the petition. Having reviewed the petition, the State's answer, the supporting documentation provided by the parties, we are not persuaded that this court's intervention by way of extraordinary writ is warranted. Accordingly, we deny the petition. We also deny petitioner's motion for a stay.

It is so ORDERED.
