

IN THE SUPREME COURT OF THE STATE OF NEVADA

PENNY JEAN BELL,
Appellant,
vs.
THE STATE OF NEVADA,
Respondent.

No. 39456

FILED

JUL 25 2002

ORDER OF AFFIRMANCE

JANETTE M BLOOM
CLERK OF SUPREME COURT
BY *J. Richards*
CHIEF DEPUTY CLERK

This is an appeal from a judgment of conviction, pursuant to a guilty plea, of one count of burglary. The district court sentenced appellant Penny Jean Bell to serve a prison term of 18 to 60 months.

Bell's sole contention is that the district court abused its discretion by refusing to grant probation. We conclude that Bell's contention is without merit.

This court has consistently afforded the district court wide discretion in its sentencing decision.¹ This court will refrain from interfering with the sentence imposed "[s]o long as the record does not demonstrate prejudice resulting from consideration of information or accusations founded on facts supported only by impalpable or highly suspect evidence."² Moreover, a sentence within the statutory limits is not cruel and unusual punishment where the statute itself is constitutional,

¹See Houk v. State, 103 Nev. 659, 747 P.2d 1376 (1987).

²Silks v. State, 92 Nev. 91, 94, 545 P.2d 1159, 1161 (1976).

and the sentence is not so unreasonably disproportionate as to shock the conscience.³

In the instant case, Bell does not allege that the district court relied on impalpable or highly suspect evidence or that the relevant statute is unconstitutional. Further, we note that the sentence imposed is within the parameters provided by the relevant statute.⁴ Moreover, the granting of probation is discretionary.⁵

Having considered Bell's contention and concluded that it is without merit, we

ORDER the judgment of conviction AFFIRMED.
