ORDER DENYING PETITION FOR
WRIT OF MANDAMUS OR PROHIBITION

This original petition for a writ of mandamus or prohibition challenges a district court order directing a settlement conference in a construction defects case. We have considered this petition, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time.¹ Accordingly, we

ORDER the petition DENIED.²

¹In light of this disposition, we deny as moot petitioner's motion for a stay. NRAP 8.
