ORDER DISMISSING APPEAL

This is a proper person appeal from a district court order denying appellant's motion to reinstate an appeal from justice's court. Our review of this appeal reveals a jurisdictional defect. Specifically, appellant's case arose in the justice's court. The district court has final appellate jurisdiction over cases arising in justices' courts.<sup>1</sup> In addition, the notice of appeal was signed by appellant's non-lawyer corporate officer,

and thus fails to confer jurisdiction on this court.<sup>2</sup> Accordingly, we conclude that we lack jurisdiction to consider this appeal, and we

ORDER this appeal dismissed.
