ORDER DISMISSING APPEAL

This is an appeal from an order of the district court granting an appeal from the municipal court. Our review of this appeal revealed a potential jurisdictional defect. Specifically, appellant's case arose in the municipal court. The district court has final appellate jurisdiction over a case arising in municipal court.¹

Accordingly, on June 6, 2002, this court ordered appellant to show cause why this appeal should not be dismissed. On June 19, 2002, appellant filed a response, conceding that this court lacks jurisdiction to entertain this appeal. We therefore

ORDER this appeal DISMISSED.
