ORDER DENYING PETITION FOR WRIT OF MANDAMUS,  
PROHIBITION OR EQUITABLE RELIEF

Through this petition for a writ of mandamus, prohibition or equitable relief, petitioner seeks to enjoin respondents from executing any new lease agreement for their urgent care medical facility. We have reviewed the petition, and we conclude that our intervention by extraordinary writ is not warranted.

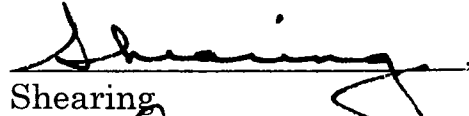

An extraordinary writ may generally only issue if there is no plain, speedy and adequate remedy in the ordinary course of law.<sup>1</sup> Here,

petitioner has such a remedy; his civil complaint and applications for equitable relief are currently pending before Judge Dan L. Papez in Nye County District Court.<sup>2</sup> Accordingly, we
