ORDER DISMISSING APPEAL

This is a proper person appeal from an order dismissing appellant's complaint as to some, but not all, defendants. Our review of the documents before us reveals a jurisdictional defect. Specifically, the order appealed from does not resolve all claims as to all parties, and thus

is not an appealable final judgment.<sup>1</sup> In addition, the order was not certified as final under NRCP 54(b). Accordingly, as we lack jurisdiction, we

ORDER this appeal DISMISSED.
