ORDER DENYING PETITION

This original petition for a writ of certiorari challenges petitioner's criminal misdemeanor conviction in justice court of two zoning infractions. Petitioner has also filed an emergency motion seeking a stay of execution of the justice court judgment and his release from the Washoe County Jail on bail pending this court's resolution of this petition. Having reviewed the petition and the supporting documentation, we are not persuaded that this court's intervention by way of extraordinary writ is

warranted. Accordingly, we deny the petition, as well as petitioner's emergency motion for a stay of execution and release on bail.

It is so ORDERED.
