ORDER DENYING PETITION

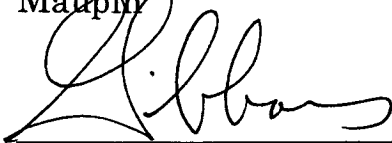

This proper person petition for a writ of certiorari seeks an order compelling the district court to reverse petitioner's judgment of conviction and enter an order of dismissal. In the alternative, petitioner seeks an order reversing his conviction, remanding for a new trial, and ordering the suppression of the evidence of petitioner's blood alcohol test.

We have considered the petition on file herein, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted.¹ Accordingly, we

ORDER the petition DENIED.
