ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus seeking an order compelling the district court to serve notice of entry of the district court's written order denying a habeas corpus petition. Petitioner argues that he needs the written order to be served in order to file a timely notice of appeal to this court. We have considered the petition on file herein, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time.<sup>1</sup> A notice of appeal filed after an oral decision of the district court but prior to proper service
