ORDER DISMISSING APPEAL

This is a proper person appeal from a district court order dismissing appellant's complaint against Stephen Emanuel Arnold. Our review of the documents before us reveals a jurisdictional defect. Specifically, the order appealed from is not a final judgment because appellant's complaint remains pending against other defendants,¹ it is not certified under NRCP 54(b), and it is not otherwise an appealable order.² Accordingly, as we lack jurisdiction, we

ORDER this appeal DISMISSED.
