ORDER DENYING PETITION

This is a proper person petition for a writ of mandamus seeking an order from this court declaring that the district court violated petitioner's constitutional rights and that the district court improperly postponed a hearing on petitioner's habeas corpus petition. Petitioner further seeks an order compelling the district court to conduct an evidentiary hearing on petitioner's habeas corpus petition in petitioner's presence. We have considered the petition on file herein, and we are not satisfied that this court's intervention by way of extraordinary relief is warranted at this time.<sup>1</sup> Accordingly, we

ORDER the petition DENIED.
